WSSC BUSINESS OPPORTUNITY

The Washington Suburban Sanitary Commission (WSSC) is looking for an experienced, creative fundraiser with excellent corporate contacts.

The WSSC Commissioners wish to hold a **charity** fundraising event during the spring of 2009. The goal is to create a substantial endowment for the WSSC **Water Fund**.

The **Water Fund** provides financial assistance for residential customers who cannot pay their bills due to hardship. It is currently funded by small donations, mostly from WSSC customers and employees.

If you are an experienced fundraiser and event planner with excellent corporate contacts and would like more information about this business opportunity, please contact;

WSSC is the 8th largest water and wastewater utility in the nation, serving nearly 1.8 million residents in Prince George's and Montgomery counties. We operate and maintain eight water and wastewater plants, over 5,500 miles of fresh water pipeline and over 5,300 miles of sewer pipeline. In our 90-year history our drinking water has always met or exceeded federal standards
