# Medicare Supplement plan

## Medicare Eligible Retirees

### Medicare Complement

#### What do I do when I turn 65?

When you turn 65, you automatically receive coverage under Medicare Part A, you are responsible for enrolling in Part B.

#### Network

Use any doctor, clinic, hospital or health care facility in the country that accepts Medicare

#### Paying for Care

Plan pays 100% of covered charges remaining after Medicare

If Medicare does not pay anything on a service, The Medicare Supplement plan will not pay anything either with the exceptions of Emergency Services outside of the US.

The plan pays the Medicare Part A and Part B Deductible, and any remaining balance based upon the Medicare-approved amount.

#### **If you don't use a provider that accepts Medicare, your costs may be higher**

#### Paying for Care

Make sure you check with Medicare to make sure your procedure is covered by Medicare prior to having the service done.
